Please note:

- 1. Please check the appropriate box for the type of permit being applied for and provide the items as required in the attached applicable Specific Application Checklist.
- 2. All permits require final inspection.
- 3. A certificate of occupancy must be issued before any building is occupied.
- 4. All provisions of law and ordinances governing this type of work will be complied with whether specified or not.
- 5. The granting of a permit does not give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.
- 6. All the Construction Plans need to be submitted as one PDF (preferable) and the application and supporting documents need to be included as another combined PDF.
- 7. Brookshire Katy Drainage District (BKDD) approval Please contact BKDD to obtain the application form. Building permit will not be issued without the approval from BKDD.
- 8. Brookshire Municipal Water District (BMWD) approval Please contact BMWD to obtain the application form. Building permit will not be issued without the approval from BMWD.
- 9. Texas Department of Transportation (TxDOT) approval (if required) Please contact TxDOT to obtain the application form. Building permit will not be issued without the approval from TxDOT (if required).
- 10. Construction Site Guidelines:

Signature of Applicant:

- Please remove all tree cuttings and brush from the site. Fresh wounds must be painted within 1 hour after cutting.
- Please remove trash and debris daily to prevent it from blowing onto adjoining property.
- Please confine your working hours to reasonable times to abide by the contractor/subcontractor work hour restrictions.

I hereby certify that I have read and examined this application and know the same to be true and correct.
